

Invitation to Kesko's virtual Capital Markets Day on 2 December 2020

Kesko Corporation will host a virtual Capital Markets Day for investors, analysts and the media on Wednesday, 2 December 2020, from 1.00 p.m. to ~3.00 pm (EET).

Kesko's top management, including President and CEO Mikko Helander, CFO Jukka Erlund and division heads, will provide information on the company's successful strategy and its execution in the three divisions – grocery trade, building and technical trade, and car trade. They will also provide a business update and a review of Kesko's priorities, and answer questions by investors and analysts.

The event will be held in English. Due to the epidemic situation, the event is fully virtual, and does not require registration beforehand, as there will be no dinner.

The webcast link and a more detailed programme will be published closer to the event on our website at kesko.fi/en/investor/reports-and-presentations/#event42921. The presentation materials will be made available on the website after the event.

Welcome!

Hanna Jaakkola
